Ref No.: FOI/2425/SG14772

Date FOI request received: 23rd May 2024

Date FOI response: 7th June 2024

REQUEST & OUR RESPONSE:

1) Does the Trust use a third-party provider to create/write, manage or track patient information leaflets?

If so, could you please provide the following information (if the Trust uses multiple third-party solutions, please provide details for all of these):

- The current supplier(s)

- Contract value(s) (per annum)

- Contract(s) renewal date(s)

- When did the Trust first start using this third-party?

2) Does the Trust have a software solution to manage patient e-consent? If yes, is this a standalone solution, or part of a wider electronic patient records system?

3) For the Trust's patient e-consent system(s), could you please provide the following information (if the Trust uses multiple third-party solutions, please provide details for all of these):

- The current supplier(s)

- Contract value(s) (per annum)

- Contract(s) renewal date(s)

- When did the Trust first start using this third-party?

4) Please could you indicate which solutions are used by each department in the Trust:

Department	Patient information leaflets *(e.g. third-party provider incl. name, no external solution used, not applicable)*	E-consent *(e.g. third-party provider incl. name, no external solution used, not applicable)*
Accident and emergency (A&E)		
Diagnostic imaging / radiology		
Endoscopy		
Mental Health		
Obstetrics		
Oncology		

Paediatrics			
Surgical procedures (day-patient / in-patient)			
Surgical procedures (out-patient)			

OUR RESPONSE:

Leicestershire Partnership NHS Trust is an integrated Community and Mental Health Trust. We provide care and support through three directorates which focus on adult mental health, community health services and families, young people, children's services and learning disabilities.

1. No. We don't use a third-party provider to create/write manage or track patient information leaflets.
