REQUEST & OUR RESPONSE:

I refer to the following publications by NICE, Public Health England, and the National Centre for Smoking Cessation (NCSCT) which were published between 2013 and 2016:

- a) NICE PH48 “Smoking cessation in secondary care: acute, maternity and mental health services” published in 2013
- b) NCSCT (in partnership with Public Health England) “Local Stop Smoking Services – Service and delivery guidance” published in 2014
- c) NCSCT ‘Smoking Cessation and Mental Health: A briefing for front-line staff’ published in 2015
- d) Public Health England ‘Introducing self-assessment for NICE guidance smoking cessation in secondary care: mental health settings (PH48) - A practical guide to using the self-assessment model’ published in 2015.
- e) Public Health England “Smokefree mental health services in England – Implementation document for providers of mental health services” published in 2016

I would be very grateful if you would provide the following information about the implementation of the above recommendations by your trust:

1. Did the trust implement mandatory training? **OUR RESPONSE:** No.
2. When did the trust implement mandatory training? **OUR RESPONSE:** N/A
3. Which training provider(s) were used for mandatory training? i.e NCSCT or other (please specify which organisation) **OUR RESPONSE:** N/A
4. Did the mandatory training include the effect of stopping smoking whilst taking clozapine and olanzapine which may cause possible toxicity/significant increase in side effects and require dose reductions and further monitoring? **OUR RESPONSE:** N/A
