

NeuroQueer

TRADE

Autism

ADHD

Dyslexia

Dyspraxia

& more

NeuroQueer is a space for those of us living life on the double rainbow. The group is run for and by folk who identify as LGBTQ+ and who are neurodivergent (whether formally diagnosed or not).

We are a peer-led social and support group that aims to offer a balance of structured activities and discussion, with opportunities to informally socialise.

*We can easily find the world to be hostile and overwhelming, at Trade you can find a place of minimal demands.*

Please join us in connecting our community, share in life hacks, and create queer neurodivergent joy, with relatable others.

LOCATION: Trade Sexual Health, floor 2, 27 Bowling Green St, Leicester, LE1 6AS

TIME: Second Tuesday of every month, 6pm - 8pm
